9 **COUNTY OF AMES**

10  
11 IN THE MATTER OF  
12 **JANET D.**

13  
14 a child

11 CASE NUMBER \_\_\_\_\_  
12 PETITION FOR AUTHORIZATION TO  
13 ESTABLISH A SPECIAL NEEDS  
14 TRUST FOR THE BENEFIT  
15 OF THE MINOR CHILD  
16 Probate Code § 1517 (b)

15 Hearing Date:  
16 Hearing Time:  
17 Department:

18 Petitioner, **Children's Advocacy Institute**, as the court appointed counsel and CAPTA guardian  
19 ad-litem for the above referenced minor, alleges as follows:

20 1. The child is a dependent of the court pursuant to Welfare and Institutions Code § 300, *et*  
21 *seq*; she is over **16 years of age ( DOB \_\_\_\_\_ )** and resides in a **foster home**. The minor was  
22 removed from her home and the court assumed parental jurisdiction over her pursuant to Welfare  
23 and Institutions Code Section 300 *et seq* on \_\_\_\_\_. The minor remains under such court  
24 jurisdiction. She is eligible for transition assistance when she reaches the age of 18, following  
25 court hearing pursuant to Welfare and Institutions Code Section 391..

26  
27  
28 2. Currently, Petitioner is eligible for and should receive approximately \$\_\_\_\_\_ in

1 assistance to ameliorate her special needs and to achieve self-sufficiency as she transitions from  
2 foster care to adult status.

3  
4 3. Petitioner asks that this court order the establishment of a bank account under court  
5 jurisdiction for the payment of funds pursuant to a special needs trust to be ordered by this court.  
6 The account may be a single account for all such children receiving such trust directed benefits,  
7 but each child who is the beneficiary of such a trust shall have a separate accounting of funds  
8 available and expended for such purposes. Petitioner requests that counsel for the child and the  
9 county have access to the separate accounting information relevant to a particular child  
10 represented.

11  
12 4. Petitioner desires to protect these funds for the special and unique needs of this child  
13 while at the same time enabling her to be eligible for all public benefit programs that should  
14 provide services to her. Currently, as a dependent of this court, the child is supported by **Ames**  
15 County and his medical care is provided by the Medi-Cal program. When she is no longer eligible  
16 for these county services, at age 18 or 19, she will have to find housing, employment and private  
17 health care with no help from a family.

18  
19 5. Because the damage done to this child, both physically and psychologically, she may be  
20 considered disabled, not able to be employed and therefore eligible for Supplemental Security  
21 Income (SSI). Petitioner desires to preserve these funds and other funds that may be received in  
22 the future, so that funds will be available to supplant other resources and programs for which she  
23 may be eligible. If **Janet D.** is able to be employed, these funds would be available to help her  
24 transition into adulthood, and provide the kind of assistance normally provided by a parent to  
25 ameliorate her special needs, safeguard her mental health, and provide minimum opportunity for  
26 self-sufficiency as a functional adult.  
27  
28

6. Petitioner also asks that the court order petitioner and the County of **Ames** to

1 cooperatively apply for monies to fund said special needs trust, including funds from the Mental  
2 Health Services Act Fund, monies from social security SSI and other insurance sources, and  
3 appropriate federal funds match under Title IV-E of the Social Security Act. With regard to SSI  
4 eligibility, petitioner asks that the court find that the attached Exhibit A trust agreement constitute  
5 a qualified “special needs trust” properly exempt from inclusion as income or assets for purposes  
6 of SSI or other benefit qualification. With regard to the Title IV-E match eligibility, petitioners  
7 ask that the court find that Exhibit A hereto, constitutes a continuing “supervised setting” in  
8 which **Janet D.** is “living independently,” in accordance with applicable regulations of the U.S.  
9 Department of Health and Human Services and with the provisions of 42 USC Section 672, as  
10 amended by the federal Fostering Connections to Success and Increasing Adoptions Act of 2008.  
11 Such a federal match shall apply only during the trust’s application until **Janet D.** reaches age 21  
12 under the terms of the Social Security Act, as amended.

13  
14  
15  
16 7. Probate Code Section 1517(b) provides that a court assumes jurisdiction of a minor  
17 child pursuant to Welfare and Institutions Code Section 300 has the authority to make orders  
18 necessary to ensure the appropriate administration of funds for the benefit of the child.

19 8. Petitioner request this Honorable Court to order that the County of Ames and the  
20 Children’s Advocacy Institute, assisted by **Janet D.**’s foster care provider, begin preparations for  
21 the transition to self-sufficient adult status. Such preparation shall include when or shortly after  
22 **Janet D.** reaches age 16 to include development of a transitional plan and candidates for trustee  
23 (to be termed Janet D.’s “coach”) status for a special needs trust to commence upon **Janet D.’s**  
24 aging into adult status, consistent with the description for such preparation in the attached Exhibit  
25 A trust agreement. That development and appointment would include petitioner and Ames  
26 County cooperatively: (a) soliciting funds for deposit into the described court account for  
27 designation solely consistent with the trust agreement and plan attached as Exhibit A hereto, (b)  
28

1 applying for appropriate funding under the terms of the California Mental Health Services Act  
2 (MHSA), (c) applying for funding pursuant to the Social Security Act (disability and insurance  
3 benefit provisions), (d) applying for Social Security Act Section IV-E match funding, and (e)  
4 assuring continued Medi-Cal coverage consistent with California law applicable to former foster  
5 youth over the age of 18. **Janet D's** Irrevocable Special Needs Trust, 2009 is attached hereto  
6 and incorporated herein by reference.  
7

8 9. The names and addresses of the persons entitled to notice are as follows:  
9

10 <b>Janet D.</b> c/o <b>Children's Advocacy Institute</b>	Child
11 <b>Melanie Delgado</b> <b>Children's Advocacy Institute</b>	Attorney for Child
12 <b>Vickie Jackson</b> <b>Ames Office of County Counsel</b>	Attorney for Ames County
13 <b>Jack Goldin</b>	Family Foster Care Provider
14 <b>James Smith</b>	Proposed Trustee ("Coach" 15 for <b>Janet D.</b> )

16 10. Petitioner, Robert Fellmeth, as executive director of the Children's Advocacy Institute,  
17 requests that the Court approve the terms of the trust, attached as Exhibit A to this petition and  
18 incorporated herein as though fully set forth.  
19

20 11. The proposed Trustee is an experienced private professional fiduciary, the former  
21 Public Guardian of Sacramento County and well known to Sacramento County Courts. Given the  
22 initial small amount of the trust corpus, the fact that the child has competent counsel and a  
23 guardian as-litem and a desire of all to minimize administration fees, Petitioner requests that bond  
24 be waived.  
25  
26

27 **WHEREFORE**, The Petitioner prays for an order as follows:  
28

1. That the Court approve and authorize the creation and funding of **Janet D.'s**

1 Irrevocable Special Needs Trust;

2 2. Waiving bond, and

3 3. That Ames County and Petitioners shall perform the enumerated steps as prayed  
4 *supra*, and as proposed in the attached Trust Agreement and the self-sufficiency  
5 plan it includes, both as presented and as it will be reviewed by this court and  
6 amended pursuant to Trust terms and conditions.  
7

8 4. For such other orders as the court may deem just and proper.
